Yes - looping in Bill Glenn who leads the web team for R9. We can find the correct spot and get it online ASAP.

Kelsi,

We've circulated a scan of all the docs among the partners. We'd be glad to add it if you wish... adding our Public Affairs Director Kelly Zito, who is key to our web operations.

Best wishes

Alexis – So sorry I didn't get to chat with you at our event at the Anaconda Copper Mine on Monday. Thank you for all of your hard work in putting that together and getting folks out there! It was a great event.

I wondered if we had the signed deferral agreement on the website?

Thanks!
